What a family uses when nobody went to court and nobody was ever appointed. Two pages: a set of sworn statements on the first, the vehicle and the notarial block on the second. The whole thing turns on a printed table of thresholds - the total fair market value of everything the decedent owned that passes by will or intestate succession, less liens and encumbrances, has to sit under the figure for the year of death.

This sheet is not the form. Download the blank DR 2712 from the Colorado Department of Revenue, Division of Motor Vehicles at <https://dmv.colorado.gov/sites/dmv/files/documents/DR%202712%20-%20State%20of%20Colorado%20Affidavit%20for%20Collection%20of%20Personal%20Property%20Pusuant%20to%20Small%20Estate%20Proceeding.pdf> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	OTHER	State and County	Two boxes at the head of page one. Watch out: The county here is where the affidavit is being sworn, which is normally where the successor lives rather than where the decedent did.
2	OTHER	Name of Successor, and Name of Deceased	Up to two successors, then the person who has died. Watch out: The decedent's name should match the certificate of title. Where it does not - a maiden name, a middle initial - a statement of one and the same goes in as well.
3	OTHER	Check the threshold for the year of death	The printed table: 2026 is \$88,000, 2025 is \$86,000, 2024 is \$82,000, 2023 is \$80,000, 2022 is \$74,000, 2021 and 2020 is \$70,000. Watch out: It is the whole estate, less liens and encumbrances, wherever the property is. A house takes almost any estate over the line straight away.
4	OTHER	The ten-day and no-representative statements	Two of the four printed sworn statements, and both are absolute. Watch out: If anyone in the family has started a probate application anywhere, this route is closed - even if nothing has been granted yet.
5	OTHER	The vehicle on page two	Year, make, model and vehicle identification number. Watch out: One vehicle per affidavit. Two cars in an estate means two of these, each sworn and each notarised separately.
6	OTHER	Sign in front of a notary	Two signature rows with dates, then the notarial block - county, state, date, signature, commission expiration and seal. Watch out: Take the death certificate with you as well. It has to accompany the affidavit, and a notary asking what they are witnessing is a reasonable question.

What gets this one rejected

- Filed inside ten days of the death. At least ten days must have elapsed and it is one of the four printed statements.
- Filed where a personal representative has been appointed anywhere. The affidavit swears that no application or petition is pending or has been granted in any jurisdiction.
- An estate over the threshold for the year of death. The table is printed on the form precisely so that nobody has to guess.
- No death certificate with it. The instruction sits immediately above the vehicle block on page one.
- Unnotarised. Unlike almost everything else in the Colorado set, this one has a seal block and needs it filled.
- Signed by somebody who is not a successor. The first sworn statement is that the signatories are successors of the deceased, and the notary is attesting to who signed.

☐ Amber is what you write ☐ Grey is a block somebody else completes The filled-in example is at the start of this sheet.
