How to fill out Statement of Non-Receipt — Statement of Non-Receipt of a Connecticut Certificate of Title

sellmycarhub.com

Connecticut · written against Statement of Non-Receipt (no revision printed), issued under Conn. Gen. Stat. s. 14-175 and s. 14-178, administered by the DMV Title Unit at Room 305 </forms/connecticut/statement-of-non-receipt-of-title/>

For the title that was applied for and never arrived. Connecticut posts certificates about thirty days after registration, and where one does not turn up there is a ninety-day window in which the department will issue another at no cost. This is the form that opens it. It is not a replacement application and it carries no fee at all - it is a sworn statement that the original never reached you and that you have not put a loan on the car since applying.

This sheet is not the form. Download the blank Statement of Non-Receipt from the Connecticut Department of Motor Vehicles at <https://portal.ct.gov/dmv/-/media/DMV/DMV-PDFs/StatementofNonReceiptrev22010pdf.pdf> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	YOU	Name and Certificate of Title No.	Your name as it went on the application, and the title number if you have it. Watch out: The number is printed on the registration certificate. Connecticut notes on the face of each registration that a certificate of title has been issued for the vehicle.
2	YOU	Address	Where the certificate should have gone. Watch out: If it is not the address the department holds, that is very likely the reason nothing arrived - fix the address record first, or the replacement goes the same way.
3	YOU	The certification line: your name and the application date	I ____ hereby certify that on ____ I applied for a certificate of title to a motor vehicle. Watch out: The date is the application date, not today. It is the date the ninety-day window runs from.
4	YOU	DMV office	Where the application was made. Watch out: Put the branch name if you went in person. Where a dealer registered the car for you, that is worth saying here rather than leaving blank.
5	YOU	Year, Make and Identification number	A year box, a make box and the identification number, and nothing else about the car is asked for. Watch out: The VIN is what the department searches on, and it is the only one of the three that has to be exact.
6	YOU	Owner's Signature and Date Signed	One signature, under a certification covering both limbs - non-receipt and no new encumbrance. Watch out: The second limb is the one people sign without reading. If you have financed the car since applying, this form is not the right one.

What gets this one rejected

- Filing it more than ninety days after the transaction. The department's window is ninety days from the transaction date to re-apply at no cost; past that it is a paid H-6B.
- Filing it before thirty days have passed. The usual processing time for the issuance of a Connecticut title is thirty days from the date the vehicle is registered, so a statement at day ten is premature.
- Signing the encumbrance limb where a loan has been taken out since. That sentence is the substance of the form and it is sworn.
- Sending it to the wrong room. It goes to Department of Motor Vehicles, Room 305, Specialized Registry Services, 60 State Street, Wethersfield, CT 06161 - printed on the department's own page.
- Using it as a seller when the title was never in your name. It is the applicant's statement about their own application, not a general lost-title form.
