How to fill out T-8 — Limited Power of Attorney - Motor Vehicle Transactions

Georgia · written against T-8 (Rev 3-2015), issued under the Georgia Department of Revenue and every county tax commissioner's office in the state

Appoints one named person to act for you before the Department of Revenue or any county tax commissioner's office on one described vehicle. It is the document that lets a title be applied for, transferred or replaced while the owner is deployed, hospitalised, out of the country or simply four hundred miles away.

This sheet is not the form. Download the blank T-8 from the Georgia Department of Revenue, Motor Vehicle Division at <https://dor.georgia.gov/document/form/t-8limitedpowerofattorneypdf/download?f=T-8.pdf> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	YOU	I/We - the vehicle owners	The full legal names of everyone shown as an owner on the certificate. Watch out: Everyone. If the certificate names two owners and only one signs this, the attorney-in-fact can act for one of them and the transfer still stalls.
2	YOU	Appoint - the attorney-in-fact	The full legal name of the one person being appointed. Watch out: One name, and the form says so beside the box. A copy of that person's driver's licence or state identification has to be submitted with the form.
3	YOU	The vehicle	The VIN of the vehicle the attorney-in-fact is being empowered over. Watch out: The authority is limited to this vehicle. A second car needs a second form, not an additional line.
4	YOU	Signed and attested this day	Day, month and year of execution. Watch out: This date starts the twelve months. A power of attorney signed in advance of a deployment can expire before the deployment ends.
5	YOU	Owners' printed names, signatures and address	Printed or typed full legal names, signatures, the owner's address and phone number. Watch out: The certification directly above says the form was completely filled in at the time of execution, so nothing should be blank when the pen touches the signature line.
6	YOU	The identification block	The owner's valid driver's licence number, the name as listed on the licence, and the issuing state. Watch out: The notary is certifying that they proved identity by positive picture identification, so the licence has to be in the room. A copy also has to accompany the form for an expedited title at the Department's own lobby.
7	YOU	The notary's acknowledgement	Day, month and year, the notary's full legal name, signature, seal, address, phone number and commission expiry. Watch out: Everything on this form is completed before the notary; nothing is added afterwards. An alteration made after the seal is on the page voids it.

What gets this one rejected

- A photocopy. Printed in capitals across the head of the form: photocopies are not acceptable, the original form must be submitted.
- Appointing two people. Only one attorney-in-fact may be appointed, and the note sits beside the box.
- Submitting it without identification. The form must be accompanied by a copy of the appointed attorney-in-fact's driver's licence or state issued identification.
- Using it where the seller and the buyer are the same person or company and an odometer reading has to be disclosed. The form's own note rules that out.
- A form that was not completely filled in before it was signed. The owners certify that the power of attorney was completely filled in at the time of its execution.
- Any alteration or correction. The header says either voids the form, and that prior versions are not accepted at all.
