How to fill out REV105 — Rebate/Refund Application

Massachusetts · written against REV105 (REV105_1119, November 2019), issued under M.G.L. c.90 s.2

sellmycarhub.com

</forms/massachusetts/rev105-rebate-refund-application/>

The form for getting part of a registration fee back after cancelling. Massachusetts is unusually generous about this and almost nobody claims it: cancel within ten days of the effective date and the plate fee is refunded in full; cancel later and half the remaining fee comes back after a \$15 administration charge, provided it happens before the first day of the seventh month.

This sheet is not the form. Download the blank REV105 from the Massachusetts Registry of Motor Vehicles at <https://www.mass.gov/doc/rebaterefund-application/download?f=REV105.pdf> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	YOU	Check the dates first	Full refund inside ten days of the registration's effective date; half the balance less \$15 up to the first day of the seventh month. Watch out: The form prints a worked example - a \$60.00 fee cancelled in time gives \$22.50 back - which is the quickest way to see whether yours is worth the stamp.
2	YOU	Credential information	Tick Registration and write the plate number in the credential number box. Watch out: The five boxes cover licences, citations and titles as well. Only one applies.
3	YOU	Owner or contact information	Name, telephone, email, and a mailing address for the cheque. Watch out: Use an address that will still be yours in six weeks. Approved rebates are processed within four to six weeks.
4	YOU	Rebate request information	Where the transaction happened, the location name, the date, and why you are claiming. Watch out: A cancellation after a sale is not an overpayment or a duplicate payment, so the reason to tick is Other and the explanation block is where it gets explained.
5	YOU	The explanation, with the receipt	A short account of the cancellation, and the Registration Cancellation Receipt attached. Watch out: The instruction is that all requests require supporting documentation such as a receipt. Without the receipt there is nothing to date the claim from.
6	YOU	Sign and post it	Signature, printed name and date, to the Rebate Section at PO Box 55889 in Boston. Watch out: Different PO box from the Title Division. The Registry runs several and a form in the wrong one comes back.

What gets this one rejected

- A claim with no supporting documentation. All requests require supporting documentation such as a receipt attached to the application.
- A claim for a special plate fee on a partial refund. Special plate fees are not refunded once the ten days have passed.
- A claim made after the first day of the seventh month following the registration's effective date.
- A claim for a transaction that is simply non-refundable. The instruction says that except as stated, in general RMV transactions are non-refundable.
- Expecting it quickly. Approved rebates are processed within four to six weeks, after review by Revenue Operations.
