How to fill out SP 67 — License Plate Release

Nevada · written against SP 67 (4/2026), issued under NRS 482.2715

</forms/nevada/sp-67-license-plate-release/>

Relinquishes your rights to a plate number so the DMV may reissue it. Used when you want the plates to go with the car rather than come off it.

This sheet is not the form. Download the blank SP 67 from the Nevada Department of Motor Vehicles at <https://dmv.nv.gov/pdfforms/sp67.pdf> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	YOU	Your name	First, middle and last, in the three boxes across the top. Watch out: Match your licence exactly. This form gives away a plate number - the DMV wants to be sure who authorised it.
2	YOU	Licence or ID number, and date of birth	Nevada driver's licence or identification card number, then your date of birth alongside. Watch out: Not a Social Security number, and not the plate number - that comes further down.
3	YOU	Physical street address	Street, city, state and ZIP where you actually live. Watch out: A PO box belongs on the mailing line below, not here.
4	YOU	Mailing street address	Where post should reach you, if that is somewhere else. Watch out: Same as physical? Write that rather than leaving it blank - an empty box reads as unfinished.
5	YOU	Email and telephone	How the DMV reaches you if something on the form does not add up. Watch out: Worth filling in properly. A wrong number here turns a five-minute query into a returned form.
6	YOU	The plate number you are giving up	The number itself, exactly as it reads on the plate. Watch out: Signing this lets the DMV reissue that number to anyone who applies. If it is a personalised plate you want to keep, do not file this form.
7	YOU	Signature and date	Blue or black ink, or electronic, then the date. Watch out: The form names the acceptable ink on its own signature line - it is the one instruction printed right where you sign.

What gets this one rejected

- Assuming your registration credit follows the plates. It does not - the credit stays with you, not the buyer.

☒ Amber is what you write ☐ Grey is a block somebody else completes The filled-in example is at the start of this sheet.

Read off SP 67 (4/2026) and the Nevada Department of Motor Vehicles's own pages, current as of 2026-08-22. Plain-language help with a form, not legal advice — where this and the agency differ, the agency governs. sellmycarhub.com
