How to fill out MV-950 — Notification of Assignment of Secured Interest in a Vehicle

Pennsylvania · written against MV-950 (3-25), issued under 75 Pa.C.S. 1134

sellmycarhub.com
[/forms/pennsylvania/mv-950-notification-of-assignment-of-secured-interest/](https://forms/pennsylvania/mv-950-notification-of-assignment-of-secured-interest/)

What happens when your loan is sold. A lender that assigns its security agreement to another institution files this so the department reissues the certificate showing the new lienholder - and for a seller it explains why the name on the title is a bank you have never dealt with.

This sheet is not the form. Download the blank MV-950 from the Pennsylvania Department of Transportation at <https://www.pa.gov/content/dam/copapwp-pagov/en/penndot/documents/public/dvspubsforms/bmv/bmv-forms/mv-950-mv-950a.pdf> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	LENDER	Vehicle information	Title number and VIN, and the certificate itself attached unless the lien is held electronically. Watch out: The title travels with this form. A seller waiting on a certificate while an assignment is in progress is waiting on Harrisburg, not on their own lender.
2	YOU	Debtor	The vehicle owner's name and any co-owner's, exactly as they appear on the face of the title. Watch out: This is the only line on the form about you, and you do not write it. Check it if you ever see the form - a wrong name here attaches the new lien to the wrong record.
3	LENDER	Assignee of security interest	Name of the institution taking over, whether they are an electronic participant, their Financial Institution Number and their full address. Watch out: The Financial Institution Number is what decides whether the reissued title arrives as paper or as an electronic record - and that decides how your eventual sale works.
4	LENDER	The dates	Date of the original lien and date the lien was transferred, plus a contact telephone number for the assignee. Watch out: The original lien date is carried forward, so an assignment does not restart the six-year life of the lien.
5	LENDER	The unsworn declaration	Printed name, signature and job title of the authorised signer, with the county and country of signing. Watch out: Signed by a person the original lienholder designated. It is an unsworn falsification declaration under 18 Pa.C.S. 4904 carrying a fine of at least \$1,000.

What gets this one rejected

- Releasing the lien first. The instruction is explicit: the lien listed on the front of the title must not be released by the original lienholder.
- Sending it without the certificate, unless the title is an electronic record.
- Somebody unauthorised signing as assignor. It must be a person designated by the lienholder shown on the front of the attached certificate or on the vehicle record.
- Cash in the envelope. The form says do not send cash, and requires a cheque or money order payable to the Commonwealth of Pennsylvania.
