STATEMENT OF VEHICLE OPERATION IN SOUTH CAROLINA

TI-006
(Rev. 12/2020)

INSTRUCTION SHEET

General Instructions – This form should be submitted along with the application for title and/or registration.

South Carolina law (Section 56-19-240) requires the South Carolina Department of Motor Vehicles (SCDMV) issue a title and /or registration only for vehicles that are physically located or primarily operated in this State.

If an applicant for title and/or registration does not have a South Carolina issued driver's license, beginner's permit or identification card, the applicant must state that the vehicle will be physically located and primarily operated in the State under one of the following conditions:

1. The vehicle owner is a permanent resident of another state and is on active military duty and is stationed in South Carolina; or,
2. The vehicle owner is a permanent resident of another state but is currently enrolled in a school in South Carolina; or,
3. The vehicle owner is a permanent resident of another state but the owner or co-owner intends to principally garage* the vehicle in this state; or,
4. The vehicle owner is otherwise capable of attaining a driver's license, beginner's permit or special identification card from South Carolina, except for a medical or physical condition that can be documented and verified by the Department and the owner intends to principally garage the vehicle in this State and the vehicle will be driven by a driver who is not the owner.

***Principally garaged** means the vehicle is garaged for six or more months of the year on property in this State which is owned, leased, or otherwise lawfully occupied by the owner of the vehicle. The application for a certificate of title must include the South Carolina residence address or physical address of the property where the vehicle is housed.

Section A: Owner and Vehicle Information

List the owner's name, date of birth, address, email and vehicle's description. If multiple owners, only one co-owner is required to complete this form. Select identity documentation type and number being provided.

Section B: Select Operations Status

Select the applicable operation status. The following documentation must accompany this form depending on the operation status selected. Copies are acceptable as listed if the application is submitted by mail or dealership.

☒ **Active Duty Military**

The vehicle owner is on active duty military service in SC. Form TI-006 must be accompanied with valid out-of-state identification, military identification card, (Title 18 United States Code § 701 prohibits DMV employees from photocopying Military I.D.s. CSRs must verify the Military I.D. and indicate the verification on Form TI-006), and **ONE** of the following:

- a. orders indicating duties in SC, or
- b. Leave and Earnings Statement (LES) showing the customer is stationed in SC

☒ **School Enrollment**

Submit school identification card or enrollment forms not more than 12 months old, along with valid State identification.

☒ **Vehicle Principally Garaged in South Carolina**

The vehicle is principally garaged in this State – attested by individuals, who are not residents of South Carolina, but their vehicle is operated in this state. The TI-006 must be accompanied by valid state identification and one of the following:

- a. If the vehicle owner is a homeowner or is leasing a residence in the state, a copy of the deed, mortgage or a current (not more than 90 days old) utility bill in the homeowner's name.
- b. If the vehicle owner is employed in South Carolina, a statement from the employer indicating employment.
- c. If the vehicle owner resides with a homeowner or an individual leasing a residence in the state, a statement from the homeowner attesting to the fact that the applicant resides in his home; and a copy of the homeowner's South Carolina credential or an item from (a) above. **SC resident with whom vehicle owner resides must also complete form TI-006A Affidavit of Vehicle Housed at SC Residence.**
- d. See Form MV-93 (Proof of Residency) for additional documents that may be used to indicate the vehicle presence in South Carolina.

☒ **Medical or Physical Impairment**

The vehicle is owned by an individual who is unable to obtain a South Carolina credential because of a medical or physical condition; but the vehicle is principally garaged in South Carolina, and will be driven by a driver who is not the owner. The TI-006 must be submitted and owners must supply the number of an existing SC disabled placard/plate registered to them or indicate they are applying for a first time disabled plate. All disabled plate/placard procedures still apply.

Section C: Declaration

Applicant must sign, date and print.

The form that gets a South Carolina title issued to somebody who does not hold a South Carolina licence or identification card. A seller never signs it, but it decides whether a sale to a soldier at Fort Jackson, a student at Clemson or somebody who has just moved from Charlotte can be completed on the day - so it is worth knowing it exists before the buyer discovers it at the counter.

This sheet is not the form. Download the blank TI-006 from the South Carolina Department of Motor Vehicles at https://dmv.sc.gov/sites/scdmv/files/2026-08/TI-006EVR%20Electronic%20Vehicle%20Registration%20Statement%20of%20Vehicle%20Operation%20in%20South%20Carolina_0.pdf — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	BUYER	Section A, who and what	Name, date of birth, address, email and phone, then the vehicle identification number, make and year of the car being titled. Watch out: The name has to match the identity document being presented, not the name on the bill of sale. Where the two differ the branch works from the document.
2	BUYER	The identity line	The state or country the applicant is a permanent resident of, with the licence or identification number from that state. Watch out: An out-of-state driver's licence is enough on its own. The passport, employment authorization and permanent resident card lines below it are for an applicant who has no U.S. state credential at all.
3	BUYER	Section B, one status only	Active duty military, school enrollment, vehicle principally garaged in South Carolina, or a medical or physical impairment. Watch out: For an ordinary private buyer living in South Carolina on someone else's licence, the garaging status is the one that fits, and it needs a full address rather than a town.
4	BUYER	The proof of address	A deed, a mortgage, a utility bill under ninety days old, or a letter from an employer - and if the buyer is living with a South Carolina resident, a TI-006A from that resident instead. Watch out: The TI-006A exists precisely for the case where somebody has moved in with family and has no bill in their own name. It is a separate form and it is signed by the householder.
5	BUYER	Section C, sign the declaration	Signature, date and printed name under three printed acknowledgements. Watch out: One of those acknowledgements is that the information disclosed is subject to verification, and the perjury clause cites S.C. Code Ann. 56-3-390 by number. It is a sworn statement about where a car sleeps.
6	OTHER	Section D, the counter's half	The SCDMV representative or the dealer agent signs to say the documents were seen, with an office or dealer number and a date. Watch out: Leave it alone. A form arriving with Section D already completed by anybody other than a branch or a licensed dealer is a form that gets looked at twice.

What gets this one rejected

- More than one status ticked in Section B. The SCDMV's instruction is that the applicant must select one of the statuses and sign the statement in Section C.
- A status ticked with none of its documents attached. Page two lists what each one needs, and copies are acceptable, so there is no reason to arrive without them.
- A garaging claim with no full address written in. The line asks where the vehicle is located, not merely that it is somewhere in the state.
- A utility bill more than ninety days old. The form puts the limit in brackets on the line itself.
- Filed by a South Carolina licence holder. If the buyer has an SC credential this form is not required and submitting it only invites a question.
- Left out when the buyer has no SC credential. The SCDMV's own list of rejection causes names this form and its supporting documents among the ones most often missing.
